Provincial Education Plan

- 8 education sector partners
- Co-construction of a framework for a future provincial education plan
 - Federation of Sovereign Indigenous Nations
 - League of Education Administrators, Directors and Superintendents of Saskatchewan
 - Métis Nation-Saskatchewan/Gabriel Dumont Institute
 - Ministry of Education
 - Office of the Treaty Commissioner
 - Saskatchewan Association of School Business Officials
 - Saskatchewan School Board Association
 - Saskatchewan Teachers' Federation

In-Person and On-line Engagement

- Education sector partners are providing engagement sessions with their organizations and with other stakeholder groups
- An online survey was launched in early April and closed May 10.
- Surveys were available for students and non-students.
- Written submissions are welcome.

Key Questions

1. What knowledge, skills and abilities do students need to be prepared for their future life and learning? Why are these important?
2. What gets in the way of student success and well-being?
3. What is working well now in Saskatchewan's school system that prepares students for their future?
4. What needs to change in Saskatchewan's school system to better prepare students for their future?

Report back 2 – 3 top ideas

October 2018 Education Summit

- *Shaping the Future of Education: A Shared Vision*
- 262 individuals registered
- Over 80 organizations represented
- Beginning of a broader engagement process
- Summit Working Group: 1 representative from each of the 8 organizations planned the Summit

The Provincial Education Summit: What we Heard

1. Graduation requirements are current and flexible, preparing students for their futures;
2. The education system is equitable and sustainable;
3. Early learning and literacy are foundational to future learning and success;
4. Indigenous languages, cultures and identities are affirmed and reconciliation is advanced through education;
5. Inclusive and safe school environments support diversity;
6. Strength-based approaches support mental health and well-being;
7. Curriculum, instruction and assessment are relevant, engaging and culturally affirming; and
8. Students, parents, teachers and communities are engaged in respectful relationships.

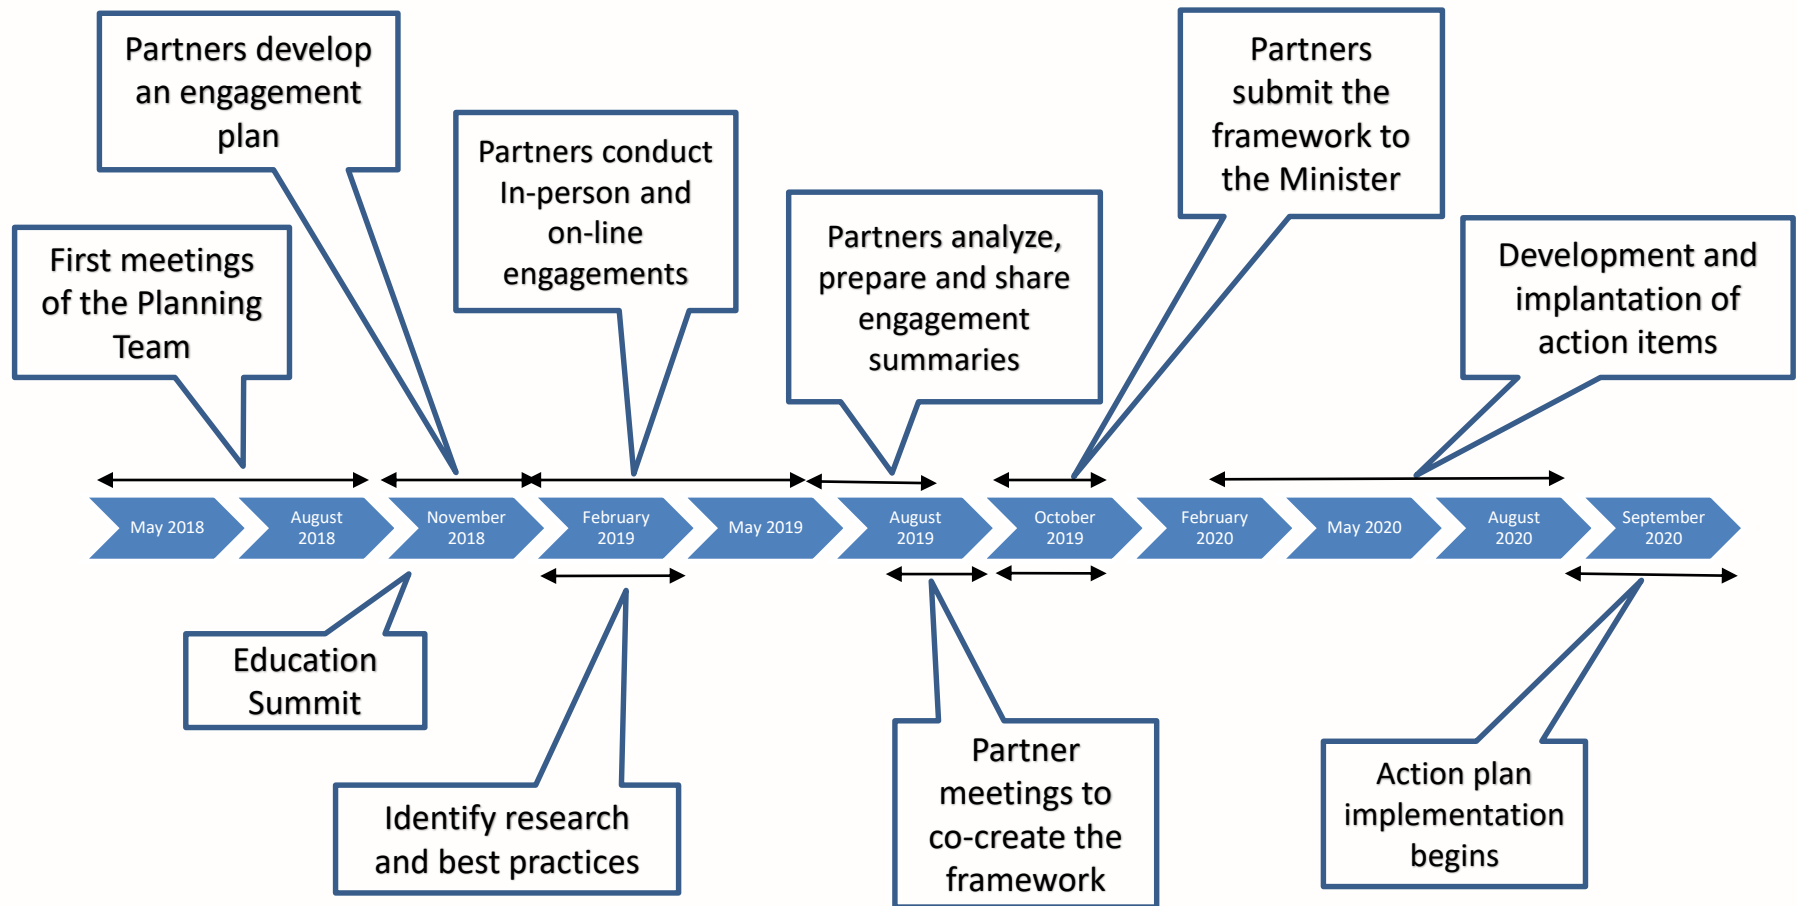

The Provincial Education Summit: What we Heard

1. Of the eight themes, what themes do you think are most important for student success and well-being, and why?

The Provincial Education Summit: What we Heard

2. Are there other themes that can have a positive impact on preparing students for their future life and learning? If so, what are those, and why are they important?

Provincial Education Plan: Key Timelines

Next Steps

- Analysis of information received through the in-person engagements and online surveys by education partners
- A report will be presented to Minister Wyant in Fall 2019
